DETAILED ACTION

This Office Action is in response to an after-final amendment filed 06/18/2008.

Claims 1-48 and 50-65 are pending. Claims 1-21, 48, and 50-65 were previously allowed.

Applicant has cancelled claims 22-47 with this amendment. Claim 49 was previously cancelled.

Allowable Subject Matter

Claims 1-21, 48, and 50-65 are allowed.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to anticipate or render obvious all of the limitations of the independent claims. Specifically, independent claims 1, 48 contain the limitation, "*receiving a user-specified definition of a visible area of the image, the visible area definition being automatically expanded to fully enclose all defined regions of the image and having a specification of margins around the image.*" None of the prior art teaches a user selecting a region in an image (e.g., clicking on any portion of an image) and having that selection expand to include/fully enclose the image as limited/defined by margins around the image.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James H. Blackwell whose telephone number is (571)272-4089. The examiner can normally be reached on 8-4:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Doug Hutton can be reached on 571-272-4137. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
